

## *Mi Rutina Diaria*

Write the YO form for each of the following reflexive verbs in the appropriate place in the Venn diagram (either in the morning, in the evening or in the morning and the afternoon). You must use all of the words listed.

Acostarse, afeitarse, arreglarse el pelo, bañarse/ducharse, cepillarse los dientes, cepillarse el pelo/peinarse, despertarse, dormirse, lavarse (las manos, la cara,etc. ), levantarse, ponerse el maquillaje (only if you put on makeup!), secarse, and vestirse/ponerse la ropa.

Next, use the information from the diagram (your pre-writing) to write out a paragraph detailing your daily routine.
