

Non Profit Research Checklist

I can find one established non profit organization in a Spanish speaking country that supports citizens in the manufacturing of clothing.

As you research, find the following information and fill it in on this sheet.

Keep in mind that you are looking for an organization, so check the credibility of your sources. (most sites with .org are established, however, they are not the only option and they can be fake as well)

Título de la organización: _____

Dirrección: _____

Ciudad: _____ País: _____

Número de teléfono: _____

Nombre del director: _____

La meta (goal) de la organización: _____

Información de donar o de impuestos (si existe):

¿Por qué te gusta esta organización?
